Computer Based Test

Post Name : Government Primary School Teacher Marathi Medium

Comprehension	Savitribai Phule, India's first female teacher, faced immense hostility when she began teaching girls at Bhide Wada in Pune in 1848. Each day, as she walked to school, people hurled mud, stones, and insults at her, trying to discourage her mission. Yet, she carried an extra sari to change into after reaching school, showing remarkable resilience. Her courage not only paved the way for women's education but also challenged oppressive social norms. This incident reflects her determination to fight ignorance with knowledge. Read the passage carefully and answer questions :
Question Description	The opposite of <i>resilience</i> is.....
A	Strength
B	Weakness
C	Courage
D	Endurance
E	None of the above
Correct Answer	B
